Monday was different. Torrance started in the first quarter with a triple pass, which resulted in a touchdown. This happened in about four minutes. Torrance made two in the second quarter, this making three put over the line by "Clam" Mills.

Torrance started off in the fourth with one touchdown, which was all she got. Torrance got a surprise when Travis of the Home snagged a pass and made a touchdown. Stepp then booted it over the posts.

The stars for the day were "Clam" Mills, Dale Gipe, Charlie Poole, and Perkins. Final score, 46 to 7.

The line-up for Torrance was: Poole, left end; Reynolds, left tackle; Smith, guard; Perkins, center; Perkins, guard; Casper, right tackle; Denuit, right end; Watson, quarterback; Simpson, fullback; Gipe, right halfback; Mills, left halfback. Substitutes: Conley and Hun.

IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place.

Because of its germ-destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness.

You do not have to wait for improvement. It quickly shows. You can get a little jar of Rowles Mentho-Sulphur at any drug store.

ANNIVERSARY WEEK IS TO BE OBSERVED BY BOY SCOUT TROOPS EARLY IN FEBRUARY

Scout Executive Sends Resume of Events To Be Held at Annual Gathering During Week of February 8 to 12

To All Troop Leaders:

Attention! Scout Commissioner and Deputy Scout Commissioners.

Gentlemen: Here is the official program for Anniversary Week as worked out by the committee on Anniversary Week and approved by the Council of Troop Leaders. Please read every word of this document and resolve to do your part as a commissioned leader in the Boy Scouts of America in carrying out the program set forth below.

PROGRAM

Thursday night, February 8th—Anniversary Troop meeting.

Friday night, February 9th—Banquet to Troop leaders given by the Board of Trustees.

Saturday, February 10th—President's Day.

Sunday, February 11th—Church Day.

Monday night, February 12th—City-wide rally.

AMPLIFICATION OF PROGRAM

Thursday night, February 8th:

This is the exact birthday of the Boy Scouts of America; hence the specific reason for holding a special troop meeting on this particular day. You are urged to arrange and conduct the following general type of meeting: (1) Open troop meeting; invite parents and friends, and each Scout bring a boy as his guest. (2) Exactly at 8:15 o'clock all stand and repeat the Scout Oath.

This will be done by all Scouts throughout the nation. (3) Have one of your committeemen, or a Scout who speaks well, speak briefly on the history of the Boy Scouts of America, and the significance of Anniversary Week. (4) Have the chairman of the troop committee speak briefly on Troop No. — (his troop), giving the significant facts about the strength, achievements, ambitions, good turns, etc., of the troop. Let the chairman of the troop committee introduce all other members of the committee, Scoutmaster and Assistant Scoutmaster.

Put the program as much as possible in the hands of your Scouts and thus demonstrate that "scouting trains for leadership." Don't let your program extend beyond ten o'clock. A short snappy program will be far more effective than a long drawn out program no matter how rich and perfect the various items may be.

Friday night, February 9th.

On this date the Board of Trustees of the Los Angeles Council will tender a banquet to all troop leaders (Troop committeemen, Scoutmasters, Assistant Scoutmasters, Acting Scoutmasters, the Scout Commissioner and the Deputy Scout Commissioners).

Those who attended the banquet last year will recall that it was a joyous and significant occasion. It will be vastly more so this year. Don't fail to transfer your troop meeting to Thursday night and otherwise arrange your affairs so that you will be able to attend this important event. You will receive a special invitation from the Board of Trustees about a week before the banquet. A prompt reply will be greatly appreciated.

Saturday, February 10th: It is proposed that on this day all Scouts in the territory of the Los Angeles District Council unite to honor the president of our Council, Mr. Arthur Letts, a man who has been unselfish, modest, generous, and tremendously helpful in his relations to the Boy Scout movement of Los Angeles. It is proposed that every troop select a Scout to write a personal letter (in the handwriting of the Scout) to the president, setting forth the achievements of the troop and expressing the appreciation of the troop for the services of Mr. Letts to scouting. All letters must be written on letter size paper, 8 1/2 x 11, and forwarded to Headquarters unopened. Headquarters will furnish paper in the case of any troop wishing it. Troops having their own stationery should use it. All letters must reach Headquarters by January 27th. It is also proposed that the letters be bound and placed under an embossed leather cover, and that each troop assess itself one dollar to be applied to the consummation of the plans to present the president with a suitable testimonial. It is further proposed that a Scout be selected to make a suitable cabinet to receive and carry the bound letters. It is further proposed that the testimonial be presented at a Scout rally or review at the president's residence, participated in by the band and all the Scouts of the district. Precise plans for this phase of the program on president's day will be sent to you later.

Sunday, February 11th: Urges every Scout in your Troop to go to church and Sunday School on this day. Letters are being sent to the pastors of all of the churches in Los Angeles requesting that Scouting be given a place in the morning and evening service. In the case of Troops attached to churches, the chairman of the Troop committee and the Scoutmaster should have a talk with the pastor about this matter. See if you cannot arrange for the Troop to take part in the service. Very wonderful things have been done in some of the churches along this line. Scouts can take up the collection, act as ushers, read the Scripture lesson, recite the Oath and Law, etc., in a manner that will impress the congregation with the dignity and value of scouting. Try it in your church.

Monday, February 12th (Lincoln's Birthday):

A city-wide rally will be held, probably in the Polytechnic high school auditorium. Mrs. Dorsey, superintendent of schools, and the members of the Board of Education will be invited as guests of honor. The program will be as follows: (1) The band will play while people are coming in and getting settled. (2) Pep and voice drill led by an Eagle Scout. (3) Brief speech on the history of the Boy Scouts of America, and the significance of Anniversary Week. (4) Selection by the band. (5) Speech on "Lincoln and the Boy Scouts." (Hon. William G. McAdoo or President Von Kleinsmid.) (6) Fire lighting contest for the championship of the territory of the Los Angeles Council. Any Scout may enter the fire lighting contest through his Scoutmaster prior to Monday night, February 12th. (7) Introduce all Eagle Scouts in the territory of the Los Angeles Council. (8) Selection by the band. (9) Troop stunts by those troops who, before Anniversary Week, demonstrate their ability to put on a superior stunt. The Headquarters staff will decide which troops may have the privilege of appearing on the program. Scoutmasters and Assistant Scoutmasters are urged to have their troops try for a place on the program in the city-wide rally. Let the Deputy Scout Commissioner or Headquarters know when you are ready to be inspected.

IN GENERAL

Get into the spirit of this thing. Anniversary Week can't be made great by mere committee action. The bigness and the importance of Anniversary Week can only be brought out by the united interest and action of all of the leaders and all of the Scouts of the entire community. What is your answer, brother?

Yours sincerely E. B. DEGROOT, Scout Executive.

P. S.—Week-end Camp will be closed Friday and Saturday, February 9th and 10th.
